The Story Behind the Brand

Thajudheen (Late)
Inspiration Behind TG Decors

A man of quiet strength, simplicity, and deep values — Thajudheen was more than a father to our Founder, Anuthaj.

His dedication to work, people, and principles lit the path that TG Decors walks today. While he never sought the spotlight, his legacy continues to guide our mission, decisions, and determination.

Though he is no longer with us, his presence remains in every meaningful connection we build and every space we help transform.

P S Anuthaj
Founder & CEO

At the heart of TG Decors is P S Anuthaj, the Founder and CEO — a visionary entrepreneur who began his business journey as a teenager. Inspired and mentored by his father, the late Thajudheen, Anuthaj took his first steps into the world of business through door-to-door product supply, building relationships and learning the value of customer trust and hands-on service.

Under his leadership, TG Decors has grown from a humble local venture into a trusted brand, expanding beyond the UAE into key international markets.

The Evolution of the Brand

The journey of TG Decors is deeply rooted in perseverance, risk-taking, and reinvention. What began as a small, personal venture has evolved into a brand with an international footprint.

2006 – The Humble Beginning

Anuthaj began supplying decor materials directly to clients alongside his father. The business, while small, focused on building trust and delivering quality.

2016 – First Leap into Global Trade

In a bold move, the company started importing Various products from China. While the operation faced challenges and eventually shut down, it provided crucial insights into international business and sourcing.

2018 – Rebirth of the Vision

Rebuilding from the ground up, Anuthaj relaunched the business under a new identity — Thaj Group of International — marking a new era of organized growth, strategy, and long-term planning.

2022 – Strategic Entry into Global Markets

The group established a trading company in China, enabling direct sourcing and building strong international supplier networks. This move enhanced cost efficiency and product variety, setting the stage for global expansion.

2024 – A Defining Year

After a lot of market research and innovation in the field study, TG Decors completed its branding and stepped confidently into the world of interior design.

2025 – Towards a Global Footprint

TG Decors advanced its journey into international markets across Asia, the Middle East, and Africa, reinforcing its vision of becoming a worldwide leader in interior solutions.

Corporate Social Responsibility (CSR)

At TG Decors, we believe true business success is measured not only by profit but by the positive impact we make on society. As part of the core values upheld by Thaj Group International, we have established a dedicated Corporate Social Responsibility (CSR) Fund to formalize and strengthen our commitment to community development and humanitarian support.

Through this initiative, we actively engage in charitable activities, offering assistance to those in need and contributing to the well-being of both local and global communities. Our CSR efforts are not just add-ons—they are an essential part of our identity.
